Re: **Request for Extension of Time**
Station KOMU-TV, Columbia, Missouri (FIN: 65583)

Dear Sir or Madam:

On behalf of the Curators of the University of Missouri (the "University"), this letter requests an extension of time in which to respond to the March 23, 2009 EEO audit letter directed to station KOMU-TV, Columbia, Missouri. The parties respectfully request a two-week extension of the filing deadline from May 4, 2009 to and including May 18, 2009. Notwithstanding the fact that the University is the largest employer in the area, as a state-supported institution the University operates with finite staff resources. While the University has been working diligently to provide the Commission with a full response, some additional time is needed to complete the tasks, including review of the proposed response among representatives of the station, human resources and the University's Office of General Counsel. In any event, the University will try its best to file its response as quickly as possible, before the expiration of the requested new due date.

If there are any questions concerning this matter, please communicate with the undersigned.

Very truly yours,

Emily J. H. Daniels
